Dear Mission Prep families and partners,

In what seems like the blink of an eye we have arrived at the final few weeks of the 2016-17 Academic Year. That statement will take many by surprise, and I am well aware that it is 'only April', but with Easter falling on the later side this year, believe it or not, by the time we are back on campus on April 24 we will have only four full weeks of school before finals begin on May 24. So, hold onto your hats, it has been an absolutely amazing year and yet there are still incredible events coming up that are guaranteed to make the last few weeks of school just fly on by.

Here are just a few: Our Lenten journey continues on April 4 with a dramatic Stations of the Cross event for the entire student body, put on by our amazing Campus Ministry department and student leadership. The first week of April is also reserved for class officer campaigning, with elections the week after and a senior class meeting on Wednesday, April 12. School is closed for the Easter break on Holy Thursday, April 13, and classes will resume at 9:45am on Monday, April 24. Our drama department has been preparing for weeks for their final drama performance of the year which will go live April 28, 29, and 30, as well as May 5 and 6. Their latest production is from Stephen Sondheim's "Into the Woods". Be sure to make your plans to attend. And of course, the spring sport season is in full swing. We'll celebrate their dedication and success this month with a spring sports rally honoring swimming, track, boys tennis and golf, baseball, and volleyball, as well as softball.

We are so very proud of the accomplishments of this senior class in particular. They arrived as children in the fall of 2013 and are entering the final stretch of their high school career. In that time they have been challenged to constantly be striving for more; in the classroom, in their personal faith journeys, in the halls, on the court, the field, and the stage. They have been expected to live up to a higher standard of excellence and to exceed the 'common' values of our society.

For seniors there remains one last level of excellence to strive for, one more opportunity to reach beyond the standards of our society, and that is to fight the urge to coast to the finish, but rather to make the final 'kick' towards the tape. While some might suggest that seniors have earned the privilege of a break, the message that they have received from their first steps on to campus will continue to their last hours as students. We love them too much to allow them to simply meet the minimum. This is their moment to demonstrate just how 'un-common' they are, "Finish Strong!"

I am confident that the next few weeks will be an authentic crescendo for these young women and men of scholarship, inspiration, and leadership.

I wish you a restful and joyous Easter celebration and GO ROYALS!

Michael Susank
Principal

Another great way to end the PAC 8 winter season. Men's basketball took home the outright PAC-8 crown, the lady royals placed 3rd in the extremely tough PAC-8 and both earned trips to the CIF-SS Playoffs. The girls lost their first round of the playoffs to a very talented Lompoc team. The progress of the team from the beginning of the season to the end was spectacular. The boys' basketball team made the quarter finals before falling in a closely contested game against Villa Park. Boys and girls soccer struggled in the extremely talented, and competitive PAC-8. Both teams' boys and girl's teams played with a lot of heart, passion, and with positive attitudes towards each other.

This is an opportunity for you as parents to talk with your teenager about drugs.

Occasionally Mission Prep High School uses the assistance of the San Luis Obispo Sheriff's Office, and they bring a K-9 unit on campus for narcotic detection. These K-9 units are trained to passively detect a variety of illegal substances. These searches are conducted to ensure we are providing a safe and substance-free campus. We conduct these searches in cooperation with the San Luis Obispo Sheriff's Office at various points throughout this year. Please note that no event precipitated our use of this program. This campus is far and away, the safest campus in the county. This program is intended to simply provide one more reason for our students to continue to make good decisions.

Drug Prevention: K-9

We value using a proactive approach to addressing the issue of illegal drugs. This year we will have several visits from local law enforcement officials during school days. Starting within the month, the San Luis Obispo County Sheriff's Office will be visiting with a K-9 Unit trained in narcotics detection. Our goal at MCP is to hold an ongoing conversation with students and families about the importance of maintaining a substance-free campus. The purpose and plan of this project is not to "catch" students, but rather to promote a drug-free MCP campus. The knowledge that a drug detection dog is used regularly on school grounds is often enough to deter the possession, trafficking, and use of drugs by students.

All students deserve a safe and drug-free environment that is conducive to learning. The use of drugs by students greatly increases the probability of crime in schools and lowers overall student performance. In order to protect students and educators from drugs and the negative impact created by the presence of drugs, we welcome the San Luis Obispo County Sheriff's K-9 Unit.

Parents Be Proactive

Start the dialogue when your student is young. Make the message clear and unambiguous at a very early age that you have zero tolerance for drug use. Keep talking. As students change, they encounter new influences and challenges, so it's important to keep up-to-date and remain open to ongoing discussions. Ask your children about concerns and problems they are facing, and help them learn how to deal with strong emotions and cope with stress in healthy ways.

Here is a list of drugs that young adults are being confronted with:

- Alcohol
- Gamma hydroxybutyrate (GHB, Date Rape Drug)
- Hallucinogens (Ketamine, LSD, PCP, Psilocybin Mushrooms, Salvia)
- Heroin (Opium)
- Inhalants (Solvents, Aerosols)
- Marijuana (Cannabis)
- Methylenedioxy-methamphetamine (MDMA, Ecstasy/Molly) (Stimulant and Hallucinogen)
- Over the Counter Cough /Cold Medication (Dextromethorphan or DXM)
- Prescription Opioids (OxyContin, Hydrocodone)
- Prescription Sedatives (Tranquilizers, Depressants)
- Prescription Stimulants (Adderall, Ritalin)
- Rohypnol (Date Rape Drug)
- Steroids (Anabolic)
- Stimulants (Cocaine, Khat, Methamphetamine)
- Synthetic Cannabinoids (Synthetic Marijuana)
- Synthetic Cathinones, Bath Salts (Stimulant)
- Tobacco

I encourage parents to learn more about these drugs and trends by visiting the NIDA website: (National Institute of Drug Abuse) <https://www.nida.com>

Spring has sprung! The hope that nature and all new life brings is a blessing to each of us at this time of the liturgical year and at this particular time in our spiritual life and the practice of our faith traditions. The intention is that we gratefully embrace each and every sign that is sent to remind us of our blessings and the gifts of this beautiful season: life, newness, starting over, and the manifestation of the Easter celebration of the resurrected Lord.

The summit of the Liturgical Year is the Easter Triduum—from the evening of Holy Thursday to the evening of Easter Sunday. Though chronologically three days, they are liturgically one day unfolding for us the unity of Christ's Paschal Mystery.

The single celebration of the Triduum marks the end of the Lenten season, and leads to the Mass of the Resurrection of the Lord at the Easter Vigil.

The liturgical services that take place during the Triduum are:

- Mass of the Lord's Supper
- Good Friday of the Lord's Passion
- Mass of the Resurrection of the Lord

UPCOMING EVENTS - CAMPUS MINISTRY

TUESDAY, APRIL 4 Lenten Prayer Service: The Living Way of the Cross

We are so proud and grateful for another year of a very special prayerful service in this year's LIVING WAY of the CROSS. This unique way of prayer combined the faith-filled efforts of our students and our Music Ministry programs. We are particularly grateful to Eric Burke, Teresa Marsano, Jennifer Blomfield, our IT Dept and to the talents, voices, and images envisioned by our brilliantly talented, faith-filled, hardworking students. Profoundly intimate and prayerful, this year's reflection promises to have a very powerful spiritual and personal impact on all attending, providing a poignant walk with Jesus to the cross.

Our gratitude to all who collaborated to present this prayerful dramatization and to our attentive and prayerful audiences. We are truly blessed.

THURSDAY, APRIL 6– Mass at Lunch

Mass will be celebrated at the start of lunch in the school chapel. All faculty/staff/students are invited to join in this celebration.

SATURDAY, APRIL 8 – People's Kitchen (Freshmen)

As a community we commit ourselves to serving at our local soup kitchen (People's Kitchen)

on the second Saturday of every month. Each month a different class is in charge of providing food for that month. There will be two months assigned to each class. This month the Freshmen are in charge of providing food.

Listed below are the sophomores who are scheduled to serve on SAT, APRIL 8.

Note: If a student is not able to attend, they must find a replacement. There have been a few months where not many servers have shown up.

WEDNESDAY APRIL 26 - Gospel Assembly

Once a month we gather as a community to listen to the gospel reading for that month's liturgy. A faculty, staff or administrator will proclaim the gospel and give a short, personal reflection on the gospel reading. This month faculty member Joannie Hamm will share the reflection. At the end of the assembly we have an opportunity to celebrate some of the great things that our students, faculty and staff have accomplished.

From the Guidance and College Counseling Department ... *Jim Vegher, Laura Housinger, Dave Ferriera, & Sandy Ocegüera*

Seniors

College Notes: Seniors are encouraged to continue checking and promptly responding to communication from colleges. They should see their counselor if they have any questions. Between the end of March and May 1 when the "Intent to Register" must be mailed or selected on the portal, students are advised to visit campuses, compare programs, and calculate the net cost of each school.

Scholarships

A list of scholarship opportunities is available in the Counseling Office. Any new scholarships are posted in a scholarship book in the Counseling Office and in Mrs. Hamm's room. Students should stop by the office if they need any assistance.

Cuesta College

Students who completed the application and the assessment are on track to complete the requirements for the Cuesta Promise which will pay for the first year of Cuesta. Students who completed the first two steps will be notified to attend the Cuesta Orientation. Students who may want to consider Cuesta need to see their counselor.

2017-2018 Course Selection Process

Due to the collaborative efforts of the Counseling Department and the Technology Department, online course selection was made available to all students. We are pleased with the results and have received favorable comments from students. We hope to continue to refine the process for future classes. The counselors are currently holding individual meetings with each of their students to do the following: review of credits and courses required for graduation and college admission, discuss the course requests for 2017-2018 school year, check the four year plan for course sequencing and college preparation, discuss post high school plans and career and/or major interest, and talk about the summer plans and activities outside of the classroom.

Juniors

The juniors completed their third Guidance workshop where they were able to use the college research tools they were introduced to at previous workshops to research colleges which meet their decision factors. Juniors were also shown how to access the Junior Survey in Family Connection. The survey should be completed by April 10th. After that date the counselors will be holding individual conferences with their advisees to discuss the survey results.

Sophomores

Sophomores should continue to update their resume in Family Connection and maintain a strong focus in all of their classes. Students can meet with their counselor as needed. Signup sheets are available in the Counseling Offices.

Freshmen

The freshman have had several Guidance Workshops which focused on personal awareness, goal setting, and college entrance requirements. Parents were recently emailed Family Connection account activation codes. Please contact the counselors if you have any trouble accessing Family Connection.

Summer School 2017

Mission College Prep does not offer summer school. However courses may be taken through Cuesta, Hancock, or online. Students must go to their college counselor to discuss the reasons and the process for taking the course and then may be able to obtain a **Request to Enroll in a Non-MCP Course** form from the counselor. The student must receive prior approval from the counselor in order for the course to be placed on the MCP transcript.

People's Kitchen Service Opportunity for Next School Year:

North county families please note: Jean Gonzalez's last MCP student is graduating and we are in need of someone to bring food to People's Kitchen the second Saturday of each month (Sept-Nov, Jan-May) in 2017-18. You can stay to serve if you wish, or just bring the food. Call Brooke Schumacher (805-305-1815) or Jean Gonzalez (805-674-2303) if you can help with this or would like more information.

Royal Pride Submissions

To submit something for the Royal Pride please email by the 15th of the preceding month to Melissa Carney at mlcarney@charter.net.

VOLUNTEER APPRECIATION THANK YOU!

Royal Spirit Award March

The Royal Spirit Award was given with heartfelt thanks and appreciation to Carolyn Rohrbach. Carolyn exemplifies what it means to be a good person. She is always ready to lend a helping hand and always kind to others. She does so much for everyone but never toots her own horn. We are tooting it for you Carolyn! With loud horns and much fanfare, we thank you Carolyn for all that you do for our MCP community.

For all our parent volunteers and their awesome leaders, we are so grateful...
