

## Mission College Preparatory Service Contract

As our service program continues to evolve, it is important to have parent involvement. We are asking you to please partner with us in order to help your son or daughter be successful and to fulfill this requirement. Serving our community is an aspect of Mission College Prep that gives us great pride. Please help us continue to emphasize the importance of becoming "Women and Men for Others."

This year there will be two deadlines for service completion. The first deadline will be **January 17, 2011**. At this time one half of all school and community service must be completed. All remaining service must be completed by **May 8, 2011**.

Take some time to think about your service for this year. Below, please give us a tentative idea of what type of service you would like to participate in and approximately how much time you feel each project will take.

Please read over the service requirement expectations for this year before filling out and signing this contract. **DUE:**
